Our Organization

**Hanze International Business School
Groningen, Netherlands**

- **Making an impact on the world:** enhancing the strength of the region in connection with the lifelong development of people.
- **Developing and sharing knowledge:** we are experts in organizing learning and guide learners toward career success. IBS teaches 1500 students in two Bachelor tracks and two Master programmes.
- **Embracing diversity:** we are a diverse team of 75 lecturers-researchers, and business experts from around the world with a focus on developing skilled professionals for the region.

Our Vision for MyCaDO

Fostering Resilient
Talent for Meaningful
Strategic Impact

Hanze

University of
Applied Sciences

The impact we aim for

Improve wellbeing, safety and operational performance and stimulate continuous professional development of maritime professionals.

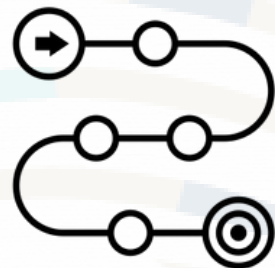

- Our focus is to facilitate learning organizations that support meaningful and sustainable professional development.
- Our task is to develop evidence-based, flexible, customized learning modules to foster maritime professionals' competence, commitment and contributions beyond compliance.
